### *A Message from the Pastors*

*About eight days after Jesus said this, he took Peter, John and James with him and went up onto a mountain to pray. As he was praying, the appearance of his face changed, and his clothes became as bright as a flash of lightning. Two men, Moses and Elijah, appeared in glorious splendor, talking with Jesus. They spoke about his departure, which he was about to bring to fulfillment at Jerusalem. Peter and his companions were very sleepy, but when they became fully awake, they saw his glory and the two men standing with him. As the men were leaving Jesus, Peter said to him, "Master, it is good for us to be here. Let us put up three shelters--one for you, one for Moses and one for Elijah." (He did not know what he was saying.) While he was speaking, a cloud appeared and enveloped them, and they were afraid as they entered the cloud. A voice came from the cloud, saying, "This is my Son, whom I have chosen; listen to him." When the voice had spoken, they found that Jesus was alone. The disciples kept this to themselves, and told no one at that time what they had seen. Luke 9:28-36*

The Transfiguration provides us with a glimpse of another world. It is an opportunity to remind ourselves that there is a reality beyond the world around us which is greater than we can simply see and touch. There is potential and possibilities available to us through the presence of God, greater than most people could ever imagine.

The Transfiguration challenges us to think in a new way, just as the disciples see Jesus in a new way. They understand the presence of God in an amazing experience - from now on everything will be different.

In some way we (as individuals and as a world community) need a "transfiguration experience" to see things in a new way – from the point of view of Christ, from the point of view of the poor and powerless, from the point of view of other cultures. The Transfiguration is a sign of great hope. The disciples discover that it is possible to see the presence of God in Jesus. It is possible to see things in a new way.

## February – Hearts, Lizards and Teeth?

Yes, hearts, lizards and teeth. The *Tooth Fairy* is paying us a visit on Monday, February 8; the *Zoo Man* and all his animals are coming on Wednesday, February 10 and *Valentine Parties* are on the calendar for Friday, February 12. What a way to start the month!

In January we welcomed a new faculty member, Mrs. Jessica Martinez, and two other students to our school. It seems as though we're constantly adding new children while saying goodbye to others due to moves or changing family situations. These changes are sometimes hard for the children and the teachers, yet we are working hard to provide every child in our care with lots of love and opportunities for learning.

New Child Development classes began this month and both our toddler teachers began working on earning their certificates. Our school secretary is also taking the CDA class. The school will be certified by September if all goes as planned.

The CDC Advisory Board oversees the operation of the CDC. It is a dynamic body that provides the CDC with lots of support by volunteering at our events and sharing our stories and needs with the congregation. Two new members, Bill Powell and Jim Forsythe, now serve on this board. They are welcome additions to our Advisory Board.

Your continued support through donations to the scholarship fund and the operation budget is much appreciated. We seem to always need money to pay our excellent faculty and to purchase supplies for the children. As a ministry of this church, we constantly reach out into the community to help in any way we can. Offering good, quality teaching and care to the children of those who having a hard time financially is one way we do this. Your generosity is never squandered or abused. It is used with great discretion and compassion. Thank you.

## The CDC Cookbook

The CDC is going to publish a cook book holding recipes from the parents, staff, faculty and church members. We need your recipes! This church is full of good cooks – I know because I have had the pleasure of tasting what you prepare. Please pick up a recipe form and get it to the office (either the church office or the school office) by **February 17**. We are hoping to have the cookbooks here and ready to sell for Mother's Day. They will be only \$10.00 each so we are certain they will go quickly.

Send in your recipes so we can have a great book!

**The United Methodist Church  
The Texas Annual Conference  
The West District**

January 18, 2010

To the members of First UMC Brenham,

I am truly grateful to your congregation's generosity in paying its 2009 Annual Conference and West District apportionments in full. In these challenging economic times, this accomplishment represents a genuine sacrifice on the part of most churches. I in no way take what you have done for granted.

Because of your faithfulness, many ministries beyond the local church – including some in distant lands – will carry on during the year ahead. You make it possible through your giving. Such ministries would not take place if it was not for you.

Once again, my thanks go out to your good people for helping to reach this goal. May God bless your church in the coming year, as we seek to reach more and more persons for the sake of Christ and his Kingdom.

Grace and peace,

Rev. Joe Fort
